Building Block Unit (BBU) — A2 variant (plain external tile)
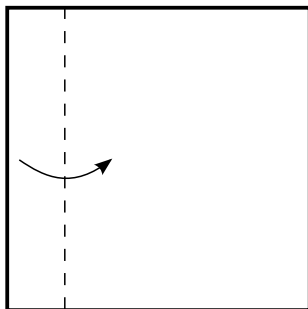

Note that this BBU variant is folded identically to one half of Tomoko Fuse's
Square Flat Unit
More at http://michal.kosmulski.org/origami/bbu/
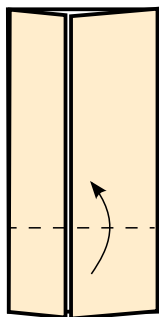

1. Valley fold at an arbitrary point, roughly ¼ of the paper's side

2. Fold the right side so that edges meet
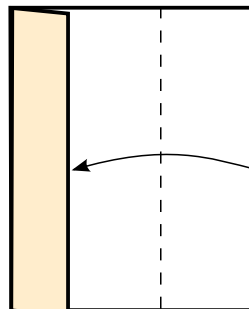

3. Valley fold at an arbitrary point, roughly ¾ of the paper's height

4. Fold upper part so that edges meet

5. Finished unit
